

## Accident or Specified Accident

NOTE: These standards are provided to assist the insurer in filing forms and rates. They are not intended to be all-inclusive, and are a work in progress. References beginning with "31A" refer to the insurance code as part of Utah Code Annotated (U.C.A.) and those beginning with "R590" refer to department rules as part of the Utah Administrative Code (U.A.C.). The comments are a brief synopsis of the referenced material and do not contain all requirements or exceptions. All references should be reviewed for compliance. As required by U.C.A. § 31A-21-201(2), the insurer is responsible for assuring that forms and rates submitted comply with Utah Insurance Code and Rules.

General Requirements		
Age	R590-126-6.H	If age is to be used as a determining factor for reducing the maximum aggregate benefits made available in the policy as originally issued, such fact shall be prominently set forth in the outline of coverage and on the schedule page of the policy.
Application	31A-21-201(3)	Questions used to elicit health condition information may not be vague and must reference a reasonable time frame in relation to the health condition.
Arbitration	R590-122 Bulletin 96-7	An arbitration provision must be properly disclosed in the policy, certificate, application and enrollment forms. It may not deprive Utah courts of jurisdiction over an action against an insurer, except as provided in permissible arbitration provisions.
Certificate Disclosure	31A-21-311	The certificate shall contain a summary of the essential features of the insurance coverage, including any rights of conversion.
Claim Settlement	31A-26-303 R590-192	Provides for fair and rapid settlement of claims and protection of claimants from unfair claims settlement practices.
Company Name	31A-21-201 & 301(1)	The exact name of the insurer and its state of domicile must appear conspicuously in the policy.
Dependent Coverage	31A-22-718	No policy that provides coverage to children may deny eligibility for coverage to a child solely because the child does not reside with the insured or solely because the child is solely dependent on a former spouse of the insured rather than on the insured. A child who does not reside with the insured may be excluded on the same basis as children who do reside with the insured.
Definitions	31A-1-301 R590-126	Definitions used in Utah Code and Rules. All Accident and Health forms must comply with these definitions.
Discretionary Authority	R590-218	This rule prohibits the use of reservation of discretion clauses in forms that are not associated with ERISA employee benefit plans. It creates a safe harbor for insurance companies that provide insurance to ERISA employee benefit plans sponsored by employers, allowing insurers to know what language in insurance forms is acceptable to the department.
Endorsement or Rider	31A-21-106 R590-126-6.C	A contract may not be modified unless it is in writing and agreed upon. Riders or endorsements require a signed acceptance.
Examination Period	31A-22-605(10) & 606	A required time period that an insured has for policy examination.
Filing of Forms	31A-21-201 Bulletin 99-2	Forms are accepted on a file and use basis. It's the insurers responsibility that the filing is in compliance with Utah Code and Rules.
Grace Period	31A-22-607	Policies shall provide a grace period, during which the policy must continue in force.
Incontestability	31A-22-609	Only a fraudulent misstatement regarding insurability is a basis for avoidance after coverage has been in effect for two years.
Incorporation by Reference	31A-21-106 Bulletin 96-7	Except as provided in 31A-21-106(1)(b), no policy may contain any agreement or incorporate any provision not fully set forth in the policy, application, or attached documents.
Limitation of Actions	31A-21-313 & 314	Such provisions cannot restrict the right of action against an insurer to no less than 60 days and no more than three years from the date the cause of action accrues. In addition, they may not deny Utah court jurisdictions.
Medicare Disclaimer	R590-126-6.L	Any policy that is issued for delivery to a person eligible by reason of age for Medicare, shall notify insureds under the policy that the policy is not a Medicare Supplement policy. Such notice shall either be printed on or attached to the first page of the outline of coverage or to the first page of the policy or certificate.
Nondiscrimination Among Health Care Professionals	31A-22-618	No insurer may unfairly discriminate against any licensed class of health care providers.
Notice of Non-renewal or Premium Change	R590-126-4.C.f	A notice of non-renewal or change in premium shall be given no fewer than 30 days before the renewal date.
Notice of termination	31A-22-716	Every policy shall include a provision that obligates the policyholder to give 30 days prior written notice of termination and to notify of right to continue coverage upon termination.
Physical Exam	31A-21-201	If an insurer requires a physical exam, the insurer must pay for such exam.
Post Hospital Admission	R590-126-4.G	Policies providing convalescent or extended care benefits following hospitalization may not condition such benefits upon admission to the convalescent or extended care facility with a period of fewer than 14 days after discharge from the hospital.
Proof of Loss and Notice	31A-21-312 Bulletin 87-6	Proof of loss provision must allow the insured or claimant to file the notice and /or proof of loss as soon as reasonably possible. Failure to give any notice or file any proof of loss required by the policy within the time specified in the policy does not invalidate a claim made by the insured, if the insured shows that it was not reasonably possible to file the notice or proof of loss within the specified time and that notice was given or proof of loss was filed as soon as reasonably possible. Failure to give notice or file proof of loss does not bar recovery under the policy if the insurer fails to show it was prejudiced by the failure.
